PROMISE

PROGRAM FOR MEANINGFUL INTERACTION AND SOCIAL ENGAGEMENT

Get ready to rally for an extraordinary cause! Join us at our Charity Pickleball Tournament to help support the PROMISE Camp.

ABOUT PROMISE CAMP

PROMISE Camp is a six-week program designed to create a positive and inclusive environment for children with developmental disabilities. With four hours a week, our camp helps children build social connections, develop personal growth, and gain valuable life skills. We believe in making a lasting impact on the lives of these incredible children and their families.

This unique program is a collaboration between CCACC, the University of Maryland, and dedicated community professionals.

OUR GOAL: \$10,000 FOR A PURPOSEFUL JOURNEY

To ensure the success of PROMISE Camp, we aim to raise \$10,000. These funds will cover essential rental fees and support staff, providing a safe and nurturing space for children to thrive. Your support directly contributes to helping these kids foster meaningful connections and social interactions.

PROMISE Camp is more than just a program, it's a journey of growth and empowerment. You can help create success stories and shine a light on these kids' lives.
